There continues to be a roll-up of 70 plus members and supporters at our monthly meetings. At the July meeting, Bruce Reedman brought back many memories with his Power Point presentation of photos taken during his time at Wacol doing National Service in 1958. Our monthly Mess Hall dinners are popular, with 65 attending a Christmas in July dinner at the Court House in Cleveland recently. We seemed to take up most of the restaurant that night and everyone seemed to enjoy the atmosphere.

Grant: The National Servicemen's Association has been successful in obtaining a DVA grant which will help towards installing flag poles and plaques in the local schools that do not already have them.

Supporters: On the 6th July, fourteen Nasho lady supporters met at La Terra Rouge at Wellington Point for a pleasant lunch, with those who ordered the desserts being delighted with the exotic dishes they received.

Coming Events:

Wednesday, 28th July Boat trip to Sanctuary Cove.

Sunday, 1st August General Meeting with address by an ex army medic who served in Bougainville

Les Warner
Membership/Development Officer
